Dear Danielle and Wayne,

Thank you so much for coming to the Food Hub yesterday – and bringing with you the magnificent donation from One Financial Solutions of £528. We are overwhelmed by how much you and your colleagues have kindly raised for us and we greatly appreciate your support.

As I mentioned yesterday, we will put the money towards buying items for clients that we don't get sufficiently donated (such as formula milk for new babies), and also a further batch of pre-paid bus tickets for clients who would otherwise be having to walk home with their food parcels because they can't afford the bus fare.

As you will see from our news update attached, since the Food Hub opened three years ago we have provided food for more than 6,000 people in crisis – at three meals a day for three days for each person, that's a total of over 55,000 meals provided so far. And it is only thanks to donations like yours that we continue to be able to serve so many people going through hard times. So, thank you again, Danielle and Wayne – we are very grateful for your and your colleagues' generosity.

With our best wishes,

Steve Hunt
