Wayne Griffiths

DipPFS, Cert SMP, Certs CII (MP & ER)
Independent Financial Adviser

About me

After 20 years with HSBC, I founded One Financial Solutions at the end of 2012 with the sole ambition of providing clients with truly independent financial advice rather than be restricted to a panel of providers. I now work with a variety of clients ranging from personal clients and SMEs to FTSE 250 corporate bodies.

I'm a member of the Chartered Insurance Institute (CII) and the Society of Mortgage Professionals (SMP), have a Diploma in Financial Planning and a Statement of Professional Standing. I'm also member of the Equity Release Council (ERC) and an Accredited member of the Society of Later Life Advisers (SOLLA).

I live in Surrey, with most of my clients being in the Surrey Hills area.

My experience

Having provided financial advice since 1993, I've accumulated a wealth of practical knowledge and experience, in particular about pensions and specialist investment.

For those owning or managing businesses of any size, I've an in-depth knowledge of group pension schemes, auto enrolment legislation and employee benefits packages.

How I work with my clients

I'm passionate about my profession! As a client, you go to a financial adviser expecting to receive expert advice on subjects you may know little about. You invest your trust in the adviser – it's a privilege to be asked and a responsibility that cannot be taken too lightly.

My reputation is my greatest asset, something that extends to the firm which has built a solid reputation from a combination of the expertise and knowledge of its advisers, maintaining its independence and satisfying its clients' expectations.

What my clients say

"I have used Wayne to provide a broad range of financial advice during the past 10 years, both as an independent and corporate adviser in both business and personal matters. Wayne has always been honest, knowledgeable and has given the best advice which has continued to yield results time and again. A true expert in his field and highly professional, personable and with unquestionable integrity."

"Our experiences with One Financial Solutions have always been positive and we have the utmost confidence in all the services they provide. They have been helping us to choose and transfer our group personal pension scheme and were helpful and approachable; guiding us and explaining requirements we were unaware of. I would not hesitate in recommending One Financial Solutions."
