About me

My principal role is to ensure One Financial Solutions runs smoothly as a company; that the team of advisers receive the support they need and that every client has a knowledgeable point of contact. Alongside this, I run the Mortgage Admin Team and provide administrative support to Wayne's clients for their mortgage needs.

My experience

I've worked in the financial services industry since 2004 and have held a variety of roles including financial adviser, mortgage broker and paraplanner.
